

CONTENT AREA: Math				
SUBJECT/GRADE : 3rd Grade - 2010-2011				
	CONTENT	PASS	Number of Days	Book Sections
1st 9 Weeks (Oct 20 th – 44 days)	Patterns - add, subtract (simple)	1.1		Sec 1.1,3.1,3.2
	Patterns/AR - Find unknowns in simple problem (addition and subtraction)	1.2		
	Number sense - Place value	2.1ai - ii		Sec 1.2-1.4
	Number sense - Compare and order whole numbers	2.1bi		Sec 2.1,2.2
	Number Operations - Find sums and differences with and without regrouping	2.2a		Sec 2.3,3.3-3.6,4.1-4.4,5.1-5.5,6.1-6.5
	Number Operations - estimate (taught, but will not be assessed until the 2 nd nine weeks), sum and difference (will be assessed the 1 st nine weeks)	2.2a		
	Measurement - problems with time and temperature	4.2 a, b, c		Sec 7.1-7.5,22.6
	Data Analysis - collect, record and interpret data	5.1a		Sec 8.1,8.7
	Data Analysis - Read graphs and charts	5.1b		Sec 8.3,8.4
	2nd 9 Weeks (Jan. 7 th – 42 days)	Number operations – developing multiplication algorithms	2.2bi	
Number operations – Fluency – multiplication facts & associated division commutative property and identity properties		2.2bi 1.3		
Find unknowns in simple problem (multiplication)		1.2		
Measurement- add and subtract problems with money		4.3		Sec 1.5, 1.6
Data Analysis – Constructing graphs		5.1c		Sec 2.6,4.3,12.5,18.3, 23.7
Patterns – multiples, extended patterns, formulate generalizations		1.1		Sec 10.2,11.4,17.1, 17.2
Number sense – Compare and order fractions, and common percents		2.1bi		Sec 25.1-25.6
3 rd 9 weeks(Mar 11 th – 42 days)	Measurement - problems with customary units/estimation	4.1a, 4.1d		Sec 21.1-21.6
	Number operations - estimate (multiplication) 2 digit numbers	2.2biii		Sec 17.3, 17.4, 18.1-18.5
	Geometry - Describe and compare 2 and 3 dimensional shapes	3.1		Sec 23.1-23.7, 24.1
	Geometry – combining and subdividing 2- & 3 D shapes	3.2		
	Geometry - ordered pairs	3.3		Sec 8.6
	Measurement - problems with metric units	4.1b		Sec 22.1-22.4
	Measurement - concept of perimeter	4.1c		Sec 24.4-24.6
	Probability – Describe the probability of chance events	5.2		Sec 26.5-26.7
4th 9 Weeks(May 24 th – 47 days)	OVERALL REVIEW			
	CRT Testing (April 11 th window opens)			
	*Reinforce facts and fact families (multiplication/division)			
	Intro. Adding like fractions			Sec 26.2-26.4
	Intro. Place value - 5 digits			
	*Review problem solving			Throughout book
