Students to Make Up One Snow Day on Feb. 19

In a special meeting Saturday at 9 a.m., Putnam City's board of education approved a revision of the district calendar to allow one missed day of school to be made up by Putnam City students on Friday, Feb. 19.

The original district calendar called for students to be out of school on Feb. 19 in relation to parent-teacher conferences. The board action makes Feb. 19 a regular day of instruction for all district students and staff.

Parent-teacher conferences and high school enrollment originally scheduled for two evenings the week of Feb. 15-19 will be rescheduled. Parents will receive information from their children's schools letting them know the new schedule for parent-teacher conferences and high school enrollment.

The decision to reclaim Feb. 19 was made in a special meeting on Saturday instead of waiting until the regular board meeting on Feb. 16 so that parents, students and school staff will have more time to plan for the change.

Six days of school have been missed so far this year because of ice, snow and cold temperatures.

Meeting Date: Saturday, Feb. 6, 9 a.m.
Location: Administration Building
Roll Call: All five members of the board were present: Gail LoPresto, president; Julie Jenison, vice president; Mark Bledsoe; Becky Haliburton; and Tammy West. Also present were Paul Hurst, superintendent; and Debbie Baldwin, board clerk.
Next Meeting: Tuesday, Feb. 16, 6 p.m.
